Mr. Peterson,

In response to your email of March 12, 2013 concerning copies of written complaints and challenges for removal, reclassification, or other reconsideration of material from our collection since January 1, 2010, I have attached three files. They constitute the entirety of our files on the matter, a request for reconsideration of Library materials and the response and a partially filled out request which wasn't responded to since the request was incomplete.

Your research sounds interesting and I wish you success with it.

Sincerely,

David Murphy
